

Singapore & Malaysia

2009 - 2010 BROCHURE SUMMARY

Singapore is a dynamic city rich in contrast and colour, where you will find a harmonious blend of culture, cuisine, arts and architecture. Singapore is the departure point for the SuperStar Virgo to cruise the surrounding regions.

Sentosa Island has beautiful, family friendly beaches and a relaxed ambience – a great destination for people seeking a resort experience whilst still retaining close access to the attractions of the city. Bintan, actually part of Indonesia, is located just a 45 minute ferry ride from Singapore. Bintan is rich in natural beauty, with white sandy beaches, and a wide range of activities including water sports and golf.

Kuala Lumpur is a city of contrasts. From the precincts of Chinatown and Little India, with their bustling markets, to the skyscrapers and modern conveniences of the CBD, Kuala Lumpur has something for everyone.

Penang is renowned as the 'food capital' of Malaysia, and is a great destination for bargain shopping. The island is home to a variety of resorts and comfortable hotels to suit all tastes and budgets. Langkawi is a tropical paradise with a relaxed and friendly atmosphere. Sabah is well known for its fascinating wildlife, including the endangered Orangutans, and is a great destination for travellers seeking lush rainforests and mountain ranges, meandering rivers, and sparsely populated beaches. Sarawak is a place of history, mystery, romance and exotic adventures.

Both Singapore & Malaysia are great choices for a stopover on the way to or from UK/Europe.
